

**NEWS FROM  
FIRST HOLY COMMUNION MINISTRY TEAM**

At St Francis.

Dear Parents  
of prospective First Holy Communion children 2021,

Due to the continued uncertain times we have decided not to open registrations for the FHC programme as usual this year. We are hoping that by Easter next year, life will be more settled, we will have been able to complete the course from this year, and we can make a decision regarding next year's course. Please keep an eye on the Parish website for the latest update.

Many thanks, the FHC team
